**Reading Comprehension: “Kyle and me”**

- 1- Read the text carefully and answer the questions below (Lea el texto y contesta las preguntas a continuación)

My best friend is called Kyle. Kyle is really cool. He lives next door to me, so we usually go to school together. He isn't like most of the people at my school because he can't walk. He uses a wheelchair, but he's hardly ever grumpy. He is kind and confident and he is always smiling. After school, we like playing computer games and reading comics. We are writing a comic together; Kyle writes the story and I draw the pictures. His favourite comics are the old DC comics about Batman and Superman. Sometimes we play games in my garden and pretend his wheelchair is Batman's car – the Batmobile! Kyle is very creative; he loves painting and twice a week he plays the guitar in a band, too. We also like sport; I like doing karate, but Kyle prefers playing basketball. He's training for a national basketball competition and he practises shooting every day. He's really good. Kyle dreams that one day he will be a famous basketball player. That is my favourite thing about Kyle: he believes he can do anything.
